Registration for this IG Technical Meeting qualifies you for the offer of Membership of the British Crystallographic Association. BCA Membership runs from 1 January to 31 December. New applicants from this meeting will be enrolled for membership through to 31st December 2003. Paid up Members of the BCA will have their membership renewed for the calendar year 2003. Any duplication of fees generated by this scheme of the Industrial Group will be used to fund Association activities. **No refunds can be made.** Please assist the BCA's Administrative Office by ticking one or more of the boxes to indicate your current membership status.

The BCA has four groups to cater for specific interests of members. **Please tick one Main Interest Group (preferably Industrial) and any number of Special Interest Groups. The Groups which you select will tell you of their activities.**

A current BCA Member	<input type="checkbox"/>
A lapsed BCA Member	<input type="checkbox"/>
Not previously a BCA Member	<input type="checkbox"/>
Unemployed	<input type="checkbox"/>
Retired	<input type="checkbox"/>
A full time student	<input type="checkbox"/>

Main	Group	Special
<input type="checkbox"/>	Industrial	<input type="checkbox"/>
<input type="checkbox"/>	Chemical Crystallography	<input type="checkbox"/>
<input type="checkbox"/>	Physical Crystallography	<input type="checkbox"/>
<input type="checkbox"/>	Biological Structures	<input type="checkbox"/>

Please tick this box if you do **not** wish to take up the Industrial Group's offer of BCA Membership
