RSC | Advancing the
Chemical Sciences

Atomic Spectroscopy Group
Analytical Division, RSC

and XRD Meeting Thursday 15th May 2008

TRAVEL INSTRUCTIONS

On arrival at the British Geological Survey Keyworth site – park your car and head for Reception. You must sign in at reception to receive a name badge (at the end of the meeting you must return to reception, hand in the badge and sign out). You will be escorted to the meeting room where coffee will be served and you will pick up your delegate folder. The meetings start at 09:30 with registration and coffee and finish at around 5pm.

Travel directions are on the BGS web pages at:

<http://www.bgs.ac.uk/contacts/sites/keyworth/kwhome.html>

The venue is conveniently located and should allow delegates from around the country to travel to BGS within the day. Nottingham East Midland Airport is nearby giving convenient travel links from Scotland, Ireland and mainland Europe.

The following maps should help delegates travelling by car, enter NG12 5GG into your sat nav.
